Sl. No.	Names of the Schools	Name. of Position	No. of position	Qualification
1	School of Physics	Project Fellow	One	M. Sc in Physics, Knowledge on tailoring quantum states for quantum digital signature protocols and quantum information theory. (Rs. 14,000/- pm till the end of the DST-PURSE Phase II Program)
2	School of Energy Science	Project Fellow	One	First Class in M.Sc., Botany/ Plant Science/ Environmental Science /Biotechnology / Microbiology / Biotechnology. (Rs. 14,000/- pm till the end of the DST-PURSE Phase II Program)
3	School of Information Technology	Project Fellow	One	M. Sc in Computer Science/Computer Applications (with at least 55% marks), Desirable qualification: NET/GATE qualified, M.Phil degree holder in Computer Science. Research experience in Data Science (Rs. 14,000/- pm till the end of the DST-PURSE Phase II Program)
4	School of Chemistry	PG Technician	Four	M.Sc., Chemistry with minimum 55 % marks and basic computer knowledge is essential. Experience in handling chemistry laboratory classes in the college or school level/ handling scientific equipments/ chemical industry experience will be preferable.
5	School of Biological Sciences	PG Technician	Two	M.Sc in Life Science and related Degree <u>PG. Technician 1:</u> Good experience in handling High content Screening, FACS, RT-PCR, 2-D Gel Electrophoresis <u>PG. Technician 2:</u> Master Degree with B. Lib. and Information Science. Working experience in handling PG Course, administrative procedure, maintenance of common instrumentation and Library Facility.
6	School of Biotechnology	PG Technician	One	M.Sc. First class in Life Sciences/ Biotechnology/ Microbiology/ Biochemistry, Handling the Research equipments with adequate knowledge in Computer. (Rs. 12,000/- pm till the end of the DST-PURSE Phase II Program)
7	School of Earth and Atmospheric sciences	PG Technician	One	M. Sc in Geography and working knowledge in GIS with computer knowledge is desirable. (Rs. 12,000/- pm till the end of the DST-PURSE Phase II Program)

8	Supportive manpower for DST-PURSE Office	Computer Operator	One	Computer Operator: Candidate with any Degree in Science discipline with basic computer knowledge. Experience in preparation of scientific documents is preferable.
		Lab Assistant	One	Lab Assistant: B.Sc Degree in any branch of science with good knowledge on maintenance of equipments is preferable. He will be engaged for administrative support in the Lab Assistant: B.Sc Degree in any branch of science with good knowledge on maintenance of equipments is preferable. He will be engaged for administrative support in the DST-PURSE Program when needed.
